TUESDAY: 8 p.m.—Midweek service of Bible study and Prayer.

Starting Monday, November 2, 6:30 p.m., the Alliance Boys' and Girls' Club.  
Rev. L. D. Sheardown, Pastor.

## Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

There is therefore no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.

For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.

For what the law could not do, in that it was weak through the flesh, God sending His own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh:

That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit.

For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit.

For to be carnally minded is death; but to be spiritually minded is life and peace.—Rom. 8:1-6.

## WITH THE District Agriculturist

By J. S. Duncan

**Dahlia & Gladiolus:**  
Dahlia plants may be dug when the foliage has been blackened by killing frost. Cut the tops off about an inch above the ground and lift the large, tuberous roots from the soil. Allow to dry until the soil just drops off. The clumps are then packed in granulated peat moss, vermiculite or clean dry sand and stored at a temperature of 35 deg. to 45 deg. F. for the winter. Dig Glads when frost has begun to wither the leaves or when they are trying because of maturity. Dry in the sun and then cut the tops off one inch above the crown. Store at a temperature of 80 deg. F. for ten days or two weeks will help the corns to ripen so that they will store better. A dusting with 5% D.D.T. powder will eliminate any living thrips.

**Royal Winter Fair:**  
This year the Royal Winter Fair is November 13th to 21st. Every farmer should see fair at least once as it is the largest agricultural fair in North America. The Railways put on excursion rates for the fair which make it quite economical to see the fair. The tickets are good for a month so it is possible to do some other visiting also. Alberta competitions always win a fair share of the prizes but so far no one from this district has entered anything. Keep that in mind also.

**Warble and Louse Control in Cattle:**  
Both lice and Warble cause cattlemen more loss than most of us realize. The systemic insecticide Co-Ral has now made it possible to get both warble and louse control in one operation. Spraying with Co-Ral in October or November gives winter long louse control and good warble control. The sooner the spraying is done, now, the better the results will be. Follow direction closely.

While the cost may seem high at first it could be worth \$5.00 to \$10.00 per head to you in extra weight gained and better use of feed.

## HOME AND SCHOOL ASSOCIATION

A Home and School Association was held on Monday, September 28th.

New officers: President, Mrs. S. Fenton; Vice-President, Mrs. Ronaghan; Secretary, Mrs. McRoberts; Treasurer, Mrs. Daniels.

Convenors: News, Mrs. Fahrner; Program, Mesdames Miller, Cook, Savard and Hubman; Press and Publicity, Mrs. Clumstead; Membership, Mrs. Prosser.

Lunch, Mrs. H. Oldham; Hospitality, Mrs. Meier; Parent Education, Mr. Ronaghan; School Education, Mr. Gunn; Community Influences, Rev. Inglis.

It was decided to offer a room prize each month to the classroom having the most parents present.

Vitamin pills are being sent for — watch for announcement. Home and School will continue to meet on the 3rd Monday.

Next meeting on Oct. 19 will be "Meet the Teacher Night."

## Minutes of Village Council Meeting

Minutes of the regular meeting of the Council of the Village of Irma, held in the Village office on the 5th day of October at 8 p.m., 1959.

Councillors present: V. S. Sampson, G. Hurst, Alister, A. C. Charter, Secretary-Treasurer.

Minutes of the last regular meeting of the Council were read by the Secretary and were adopted as written on motion by V. S. Sampson.

**Correspondence:**  
Alberta Civil Defence re circular letters; Union of Alberta Municipalities re annual convention October 29-30; Department of Public Welfare re Municipal Circular letter No. 2. These all filed.

Stock car track, Fair Grounds — That the Secretary contact the Secretary for written application for use of track.

Building permit approved, Irma Curling Club on leased site, lots 15-21 Block 6 plan 1560W Cemetery. — It was decided that plots should be restaked where necessary and also that stakes be painted white and numbered. Motion by V. S. Sampson.

Rink caretaker — Moved by Sampson that Mr. Martin Enger be rink caretaker for the ensuing season.

Secretary reported following tax collection to September 30th: Current \$21,500.05; Arrears \$1055.14; Business tax \$2,365.12.

**Financial Statement —** Balance at end of the Previous month \$3,354.96. Receipts \$16,747.12. Disbursements \$5,223.04. Savings account \$3400.04. Balance at the end of the month, General Account \$14,879.04.

V. S. Sampson moved that the Financial Statement be accepted as presented and that the following accounts amounting to \$17,712.39 be passed for payment. V. S. Sampson moved to adjourn.

—A. C. Charter, Sec.-Treas.

## EASTERLY ECHOES

The next meeting of the Strawberry Plain W.I. will be held Thursday, Oct. 15 at the home of Mrs. Charles Reed. Hostesses, Mrs. Reed and Mrs. T. Hill; Raffle, Mrs. S. Johnston.

Mr. Mark Allred spent the weekend at home.

Mr. Albert Jackson is spending his holidays in the district.

Master Bruce Burton and Henry Fenton celebrated their twelfth birthdays on Oct. 5th and 6th respectively.

Mr. Joshua Holt returned home from Wainwright hospital on Wednesday.

The least said about the weather the better, but we all sincerely hope it will clear up soon.

## Glen-Coa Gleanings

Miss Dora James of Edmonton, and recently from England, visited last weekend at the H. Fuder home. Miss James is nursing at the Misericordia Hospital.

Sharon W.M.F. will meet at the home of Mrs. H. Ruste of Wainwright on Thursday afternoon, October 15. Assistant hostesses are Mrs. B. Gulbraa and Mrs. Raasok.

The weather is the prominent news this week. How disheartening it has been for the farmers as few are finished harvesting, and there are those who have done nothing or little as yet.

## Big Hallowe'en Dance October 30

The L.O.B.A. are sponsoring a Hallowe'en Dance at the North Irma Community Hall on Friday evening, October 30. Music by Wilson's Orchestra. Admission: Gent's 75c, Ladies 50c. Lunch will be served. 2-23c.

That in Canada most consumer goods may be purchased for fewer hours of work than five years ago is shown by the fact that in the period the average manufacturing wage rose from \$1.40 to \$1.70, or by 21.7 per cent, while the consumer price index rose by only 9 per cent.

**HORSEY SET** — Cologne, Germany — Looking fit and ready to get up and gallop, stone horses peer out from a window on the third floor, of the reconstructed Richemond House in Cologne, Germany. According to an old legend, the former owner of the house, despairing of his wife's life as she lay near death, told the doctor it would be easier to believe that his horses would climb the stairs into the third-floor bedroom than that his wife would recover. At that moment, the wife opened her eyes and eventually returned to health. In gratitude, the owner had the horse's heads carved in stone and placed outside the window.

## Jarrow News

(Week of Sept. 25th)

At the Baptismal Service on Sunday the two infants baptised were: Wendy Eileen Burr, and Deborah Lynn Meakins.

Mr. and Mrs. Buster Lingley visited on Wednesday with Jim Lingley at the University Hospital. Jim underwent surgery on his eye last Monday when doctors removed a piece of steel lodged behind the pupil.

Mrs. Lockhart of Vancouver is presently visiting at the home of her brother, Mr. Harold Barker.

(Week of Oct. 3)

Mr. and Mrs. Barry Holt and family have returned to their farm in the Batts district.

Timmy and Laurie have been staying with their aunt and uncle, Mr. and Mrs. Clifton Holt and going to school while their parents are spending a few days in Calgary.

Messrs. Jim, Tony, Albert and Carl Soneff, and Art Knudson spent last week on their annual goose hunt in the Coronation district and returned with 15 geese.

Mrs. Soneff of Edmonton spent last week at the C. Soneff home. Miss Dianne Pallister held her last service at Jarrow United Church on Sunday before returning to her work in Edmonton.

Following the service, Mr. Toke Smith, on behalf of the congregation, presented her with a gift. Dianne expressed her sincere thanks, not only for the gift, but also for the kindness and help given to her during the summer. She felt that living in a community where people are almost as one family is a great advantage, as she was certain she had gained a lot from the district than she had given to it.

The best wishes of the community go with her in her future work.

During the winter months the Jarrow Sunday School will be sending out lessons weekly to the children of the district free of charge. Parents in the district whose children have not been coming to Sunday School, yet who would like these papers, kindly get in touch with either Mrs. M. Belton or Mrs. Soneff.

Miss Noreen Skori of Edmonton spent the weekend at the home of her parents, Mr. and Mrs. Ted Skori.

(This Week)

Mr. Tom Overbo was a patient in Viking Hospital last week.

Mr. Charles Lissou of Edmonton visited at the Bovenkamp homes over the weekend.

Mr. Scotty Matthew now has a nice '55 Chev. car.

Mr. and Mrs. E. Helm attended the funeral of Dixie's uncle, Mr. Rohr in Edmonton on October 1st.

Mr. Murray of New York, who is visiting at the home of his brother, Mr. Ed Murray, was a special guest at the shower at Batts School on Wednesday evening honoring his niece Margaret.

Mr. and Mrs. Stan Bridgeman and Gordon have returned from California and are presently visiting at the G. Bridgeman home.

HAVE YOU PAID YOUR SUB?

## NORTH EAST CORNER

Born to Mr. and Mrs. Bill Walker on Oct. 1 a daughter, Janet Nona, a welcome little sister for Robbie and Ricky.

Mr. Bill Walker and boys were visitors with the H. Smiths' at Manville at the weekend.

The Younker home is a very popular spot these days. With the weather what it is, quite a few men of the neighborhood are gathered daily to view the World Series games.

You can get excellent buys in synthetic pillows, but you can also be fooled into wasting your money on unsatisfactory pillows, thousands of which are now flooding the market.

#### Here Are the Facts on Poor Pillows

—usually filled with waste material, fibres used for coats, rugs, dresses; reclaimed and processed.

—no matter how plump they are when new they soon lose their shape and resiliency because of filling consisting of handfuls of fibre, instead of being all-of-a-piece.

—sometimes these poor fillings are camouflaged behind sturdy attractive casings. Often, however, the casing is a thin, lowquality fabric.

—a cheap pillow usually sells for \$2.00 — \$3.00 less than a good pillow of the same size.

#### Here Are the Facts on Good Ones:

—filled with virgin fibre, in one whole piece, rolled to fit the casing.

—fibre used is Acrilan, Dacron, or Celafil. Don't buy an Orlon pillow. Orlon is not sold as pillow filling and therefore what you are getting is waste.

—the pillow is plump, indicating enough filling was used for the casing. When pushed down, it quickly springs back to original shape. Filling is free of lumps.

—casing is often eight ounce ticking, a strong woven cotton fabric. Seams are welled for greater strength. When nylon or acetate are used a heavy, twill type taffeta fabric is seen.

#### Your Protection:

Though bedding laws and labelling laws are varied and sometimes rather few, the label does offer some protection. Make sure it names one of the three fibres cited: acrylic (Acrilan), polyester (Dacron), or acetate (Celafil).

—the terms clipped or garnetted mean the filling is waste material.

—look too for a guarantee label supplied by the manufacturers of the filling.

—some manufacturers attempt to trade on the reputation of Dacron, Acrilan and Celafil by naming their products "Dacrilan," "Daran," etc., often these are waste material or inferior fibres. DON'T BE FOOLED.

## 1,000th Diesel

Termed a significant milestone in Canadian Pacific's system-wide dieselization program was the delivery Sept. 10 of diesel locomotive No. 8023, a 1,000-horsepower road switcher, which was the 1,000th unit of the efficient diesel power to go into service on the C.P.R. Shown (inset) in the cab making a final inspection of the unit at the time of its delivery to Windsor Station, the Railway's Montreal headquarters, are C.P.R. President N. R. Crump (right) and G. W. Miller, president of Montreal Locomotive Works, builders of the unit.

Several directors and officers of both companies were on hand to witness the acquisition by the C.P.R. of its 1,000th diesel, which brings total dieselization of the 17,000-mile railway system a step closer to the 1961 target date set by Mr. Crump in 1955. The Canadian Pacific acquired its first diesel electric units in 1943. —Canadian Pacific Photo.

The weather station on Alert, Ellesmere Island, is the most northerly permanent human habitation in the world.

Most of Canada's full-blooded Indians have straight black hair but a beardless face, an indication of Asiatic origin.

Portrait of Mr. Adrian Pelt who has been appointed as Special Representative for the United Nations Secretary-General in Guinea for a period of several months. His functions are to appraise the needs of Guinea in consultation with the Government and to make recommendations on a balanced programme of assistance from the UN. As a member of the UN Secretariat since 1946, Mr. Pelt's assignments included those of UN Commissioner for Libya and Director of the European Office in Geneva. Following his retirement he became Secretary-General of the World Federation of United Nations Associations.

## Auction Sales

**J. L. Muirhead**  
AUCTIONEER  
Sedgewick, Alberta

"Your Sale in My Hands, Is Money in Yours"

The average of weekly wages and salaries paid in Canadian industry stood at \$73.09 in February, 1959, compared to \$70.02 a year earlier and \$58.88 five years ago.

Where are you going, my pretty maid.

To the Viking Style Shop, sir, she said.

From many towns they come to buy.

They have the goods you can't deny.

For the smartest dresses and perfect fit.

I'll tell the world, I'll make a hit.

## WANTS ADS DO BIG WORK

#### THOSE WERE THE DAYS

CARE TO BUY A TEN-ACRE HOMESITE FOR ONLY \$100? THIS LAND WILL NEVER BE WORTH A DIME, AND YOU KNOW IT! FATHER, ONCE WOULDN'T TOUCH THAT LAND WITH A 10-FOOT POLE.

But now... WOW!

By ART BEEHMAN

## Echo - Rodino

Miss Lorna Prosser and Mrs. Lottie LaFleur of Edmonton have been down for the weekend visiting their parents.

Folks from here attended the wedding dance in Kinsella put on by Mr. and Mrs. Malcolm McKie (nee Carol Garvie).

Darlene, Duane and Lorne Hollar are staying with Mrs. A. Crouse while their mother is in hospital.

Born to Mr. and Mrs. Norman Hollar, a son on September 24. Messrs. R. Hollar and O. Hollar motored to Camrose Saturday.

The first wet snow of the season fell September 30 which was one day earlier than in 1958 when it snowed on October 1. No need to say how unwelcome it was when the farmers have been hampered since August 2 due to inclement weather conditions. There has been only a trifling of grain threshed to date.

Miss Wynne Johnston took a day off from school to go to the city.

A large picture window has been installed in the living room of the Revell home, giving more light as well as allowing a broader view of the countryside.

Mr. and Mrs. Milton Crouse and family of Lacombe were Sunday visitors of Mr. and Mrs. Aaron Crouse.

Mr. and Mrs. Lloyd Cameron of Loughheed were at the Crouse's to join in the recent festivities for Carol Garvie.

Mr. Fred Vandervaele of Calgary has been here to visit his family and to see his ailing mother in hospital.

Mr. and Mrs. E. Hollar and family motored to Edgerton to visit Mr. and Mrs. L. Saucy.

HAVE YOU PAID YOUR SUB?

## PICTURES OF THE WEEK

**SON OF CONCERN** - Argyle, Wisc. - Motorists have safety spelled out for them via this eye-catching sign on the highway at Argyle. Warning drivers to leave their blood at the Red Cross and not on the highway, the sign depicts a bloody traffic accident. Police Chief Adolph Jagd, who thought up the sign, as well as several others expressing similar slogans, keeps watch over the road.

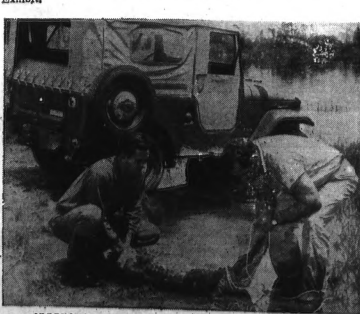

**DEER MOM** - Sharnbury, Dorset, England - Curled up for a snooze, Domino the kitten is helping its friend Bambino the fawn forget her own misfortune at the Fern Animal Sanctuary in Sharnbury. Found with the lower part of her left foreleg cut off, apparently by a farm machine, the five-week-old deer adopted the kitten while "lily" at the animal shelter for a special artificial limb being made by L. Moon firm.

**CURRENT "ALL-AMERICAN FAMILY"** - New York - Mr. and Mrs. Bill Bergen of Shelby, Idaho, and their children are on hand here, for the announcement by the Groller Society that the second nationwide search for an "All-American Family" will begin in January, 1960. The Bergen family is the reigning All-American Family.

**RADIO ACTIVITY** - West Berlin - It's a small world all right - just look at how portable radios have shrunk in the last 30 years, in these pictures from Berlin. Way back in 1929 (left), a girl could only listen to radio programs outdoors if her boyfriend was a weightlifter. But now (right), German film starlet Maria Perschy shows off a tiny new portable to be shown at the German Radio, TV and Phonograph Exhibit.

**ALLIGATOR BAGGED** - Everglades, Fla. - Tying up a seven-foot alligator, animal hunters Kurt Honey (left) and Warren Pince prepare to haul their "catch" out of the wild Florida Everglades. The alligator will wind up in a Florida animal farm.

## Municipal Hospital Board Meet

Minutes of the Viking Municipal Hospital District Board meeting held in the Hospital on Friday, September 11th, 1956, at 2:00 p.m.

Those present: H. Child, Chairman; W. D. Johnston, Vice Chairman; B. B. Starky, J. P. Rozmahel, A. L. Gibson, Miss V. L. Day, Matron; J. P. Bolan, Secretary.

Minutes of the previous meeting were read by the secretary and adopted as read. Cd.

Business arising out of the Minutes:

1. The matter of the repair work to be done on the steam boiler was discussed again, and the secretary is to give the janitor the go-ahead to do this himself.

2. Mr. Child reported that he had ordered the gas engine, but a problem with regard to hooking this up had arisen, and is to be checked by Mr. Child. He also pointed out that a small gas heater would have to be installed in the pit. It was decided to withhold the plan of a gas engine for emergency purposes; use only the electric heater in

the pit and investigate possibility of electrically operated emergency unit for the water pumps similar to the unit now in use.

Matron's Report was presented by Miss Day and accepted on a motion and carried.

Autoclave — Miss Day reported that the autoclave was giving trouble again and wondered what could be done as the local plumber is not in town. Moved and carried that Miss Day use her discretion in hiring a person to do the plumbing work.

Water Barrel — Moved and carried that we purchase water barrel from Ole Lokken.

Garbage — Considerable discussion took place with regard to clearing away the garbage at the rear of the hospital. It was moved and carried that we have Mr. Child do this work, and arrangements be made for future clearance to be done weekly.

Piano — It was pointed out by Miss Day that the piano in the lounge of the nurses' residence is in need of some repair. After discussion on the subject it was moved and carried that Miss Day have this work done.

Call System — Miss Day pointed out that it would be advantageous to have a call sys-

tem installed in the hospital. Mr. Child is to check into this possibility and the secretary was asked to write Soper-Singleton Electric in this regard.

Nursing Aide Chapter — The Certified Nursing Aides of this district had approached Miss Day to assist them in forming a Viking Chapter. Miss Day felt that the Hospital Board would be happy that this group were seeking closer affiliation with the Provincial Organization. The Board agreed that it was a good idea, and that the Viking group would benefit by this.

Disaster Plan — This was discussed again and a meeting in this regard is to be held in the Viking Hospital on September 21st, 1956 at 8:00 p.m.

A.A.R.N. Personnel Practices — A copy of the 1960 Recommendations on Personnel Practices as approved by the A.A.R.N. were distributed to the members of the Board for their perusal, and this matter will be discussed at a later date.

Correspondence — At letter from the North-East St. Paul Regional Conference was read advising that the Sept. 17th meeting would be postponed until some time in October.

**COMMANDO KIDS** — London — Looking like a pair of rather scruffy midget commandos, Raymond Neil and his brother Paul, seem to be holding off a spit-and-polish contingent of royal horse guards outside of Holy Trinity Church. The horse guards offered no resistance to the pint-size attackers, realizing the futility of battling a space-age ray gun with mere sabers.

## A TIMES WANT ADV. PAYS

Bills and Salaries totalling \$10,489.80 were approved on a motion, and carried.

Adjournment moved at 4:15 p.m.

—J. P. Bolan, Secretary.

## Tom Ford Heads Weekly Editors

BANFF, Alta. — Tom Ford of the Lacombe Globe was elected president of the Alberta Weekly Newspapers Association. He succeeds Roy Willis of the Stettin Independent.

Jack Parry, Rimbey Record, was elected first vice-president and Ernie Jamison, Ponoka Herald, second vice-president. Wilfred Horton, Vegreville Observer, and Keith Bergh, Strathmore Standard, were named to the executive committee.

Two veteran publishers were made honorary life members, H. G. Thunell, Viking News; and P. F. Galbraith, Red Deer Advocate.

Canada is the world's leading exporter of wood pulp; some of the products made from wood pulp are paper, paperboard, rayon, photo film and some plastics.

For the first time in 15 years the value of construction in Canada will show a decrease in 1959; the forecast for 1959 is \$7,202 million, compared to the 1956 all time high of \$7,231 million.

## Current Comment

### THANKSGIVING DAY

Monday, October 12, has been designated as Thanksgiving Day in Canada. As far as we know, it originated with the Pilgrim Fathers who settled on the east coast of what is now the State of Massachusetts, for the purpose of giving thanks to the Almighty for a safe voyage across the sea from England and the reaping of a bountiful harvest.

Canada, as a whole, has been singularly free from hurricanes, severe storms, and other disasters that have occurred in other parts of the world this year. Locally, rains during the harvesting season retarded the gathering of crops, which to say the least, is disturbing to the local economy and those who depend on the harvest, which we all do. However, we can all be thankful that no great catastrophe has visited our district and there is still a chance that the next two months may alter the picture in sunny Alberta.

### TRADING STAMPS

There is quite a hubbalooboo, especially in the cities, about trading stamps and one of the large supermarket concerns in Edmonton and Calgary has been charged under the criminal code as being illegal to give these stamps with purchases of goods. This practice has been going on in the U.S. for some time past and has now come to Canada.

However, this is not really something new. For years, in a well known brand of coffee carton, there has been a coupon entitling to prizes for certain number of these coupons. In packages of cereal there is generally a prize of some kind; in packages of soap substitutes you will find towels or china of some sort. Even in popcorn boxes there are little "drinkers". One could go on mentioning a lot more. There seems to be little or no difference in any of these schemes, so why make an issue of the green stamp?

### Annual CPR Tour to The Royal Winter Fair

Typically western and growing each year in popularity, the Canadian Pacific Railway's seventh "Royal" train to the Royal Winter Fair at Toronto is expected to move more than 350 prairie farmers and stockbreeders to a show which has justly earned the title of being the biggest of its kind in the world.

The semi all-expense tour leaves the three western provinces November 12-13 and provides a minimum of six days in Ontario. It has become their Ontario. It has become an annual farm party in which individual family groups informally organize their own fun on the C.P.R. special, see all main events at the big fair, enjoy conducted tours in Ontario. Last year 320 prairie residents made the trip.

The tour this year will include season admission tickets to the fair and reserved seats for the internationally famous horse show, tour of Toronto and environs and visit to Casa Loma, inspection of two model farms near Toronto, trip to Niagara Falls, optional trip to the Ontario Agricultural College and Ontario Veterinary College at Guelph. For the first time there is an optional tour of the international section of the St. Lawrence Seaway, followed by visit to Ottawa.

The C.P.R. special to the Royal Winter Fair has been described as "the only convention on wheels on the continent — a most enjoyable journey in an atmosphere which prepares everyone for complete enjoyment of the greatest show of its kind on earth."

# CANADA SAVINGS BONDS

Better than ever!

**CASHABLE ANYTIME AT FULL FACE VALUE PLUS EARNED INTEREST:** Canada Savings Bonds are both a most convenient method of saving and a safe investment with many unusual advantages. If the need should arise, they can be cashed at any time, at full face value plus earned interest. They're like dollars with coupons attached.

**HIGHER RETURN THAN EVER BEFORE:** Interest first year 4%, second year 4½%, third year 4¾%, next six years 5% plus bonus of 3% at final maturity. Average interest yield if held to maturity is 4.98% per year.

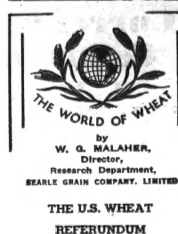

**AVAILABLE IN 5 DENOMINATIONS:** Coupon Bonds are available in denominations of \$50, \$100, \$500, \$1,000 and \$5,000. In fully registered form, \$500, \$1,000 and \$5,000.

**ORDER YOURS THROUGH THE PAYROLL SAVINGS PLAN WHERE YOU WORK, OR THROUGH YOUR BANK, INVESTMENT DEALER, STOCK BROKER, TRUST OR LOAN COMPANY.**

## A Commentary

Passing almost unnoticed in Canada, the other day, was the result of the U.S. referendum with respect to wheat marketing quotas; yet from the standpoint of North America as a whole, Canadian farmers should be very much interested in the decision reached. It extends for another year, at the variable level of 75% to 50% of parity, a system of relatively high price supports which have, without doubt, encouraged the production of the vast stores of wheat now held in that country. Nor can we overlook the fact that it is from these same surplus stocks that are drawn the heavily subsidized cargoes of wheat and other grains which are finding their way to every quarter of the world under the U.S. Surplus Disposal and Barter Programs — some of it in direct competition with Canadian sales.

These considerations aside, however, there is another interesting slant to the whole U.S. wheat growing industry as we find it today. Over the years, because of the 15 acre exemption with respect to marketing quotas, as well as the high support prices, farmers who should never have been growing wheat at all have been attracted to it. As a result, the number of states designated as "commercial wheat growing states" has steadily risen and now includes some which have no claim to growing wheat on a commercial scale for the are not suitable or economically desirable wheat growing areas at all. Such has been the swing toward wheat, in fact, that no less than 38 out of the original 46 States are now in the "commercial wheat growing" category.

As the U.S. Secretary of Agriculture has remarked, past policy has been to "spread the wheat belt over all America, cutting back acres in high efficiency areas and adding acres in areas of low efficiency." All of which, we suggest, does not seem to do much to solve the problems of surplus wheat on the North American Continent of which Canada is part.

## Shower Honors the Former Carol Garvie

Mrs. Lois Crouse was hostess and arranged a captivating afternoon of games, fun and luscious food in honor of Carol Garvie (Mrs. M. McKie) who was married recently in Kinsella.

To present a pleasing atmosphere for a lovely bride, Mrs. Crouse decorated her home with pink and blue streamers, adding a white wedding bell and generous bouquets of garden flowers donated by Mrs. J. Campbell.

Due to the weather and roads, attendance was limited to 14 ladies, but the contests provided many laughs. Refreshments were served followed by the most enjoyable part of the occasion — the entrance of a train load of gifts. The "McKie Special" was drawn by whistle-blowing Gerald Hunter, with photos of Malcolm and Carol (the engineer and fireman) on the front. One of the box cars read "Garvie's Gravel." Helping to unwrap the gifts were Carol's mother and mother-in-law. Flash pictures were taken while Carol gave a pleasant "thank-you speech."

## Shower Held For Margaret Murray

Despite the weather, a good crowd turned out on Wednesday evening at Batts School to honor Margaret Murray, a bride-elect of the week. The evening got underway with a number of interesting contests followed by a few hands of whist.

Margaret, accompanied by her mother, was then escorted to her place of honor. A novel arrangement of "Old McDonald Had a Farm" was then sung while Beverly and Patty Burr (dressed as a farmer and farmerette) pulled in a miniature hayrack loaded with gifts.

Mrs. Murray and Stella Brideman then helped Margaret open the nice array of gifts.

Margaret expressed her sincere thanks and extended an invitation for all to visit them in their home in Camrose. A lovely lunch brought the evening to a close.

The best wishes of the community are extended to Margaret and Art, whose wedding took place in Kinsella on Saturday.

Miss Linda Daniels and Miss Maureen Paterson came down from the city to spend last weekend at their respective homes here.

## ANNOUNCEMENT

Fire Prevention Week  
October 4-10

The serious drain on the human and material resources of Alberta through destruction by fire can be reduced with the co-operation of all residents of the province.

The annual Fire Prevention Week is designed to refocus the attention of Albertans on precautions and safeguards for which they are responsible to ensure the safety and well being of themselves and their neighbors. I urge province-wide observance of the principles and recommendations of National Fire Prevention Week.

Hon. E. C. Manning,  
Premier.

## CARD OF THANKS

Our recent bereavement leaves us with grateful hearts towards neighbors and friends.

Your helpfulness and comforting expression of sympathy will always be remembered. Heartfelt appreciation for floral offering and donations in lieu of flowers. —Hugh Adams, Ralph, Joy, Ron, Pat and Norman King.
